

- 
- A scatter plot with a white background and a black border. The plot contains several data points categorized by status: Normal (green circles), Low (yellow triangles), Medium (orange squares), and High (red diamonds). The points are distributed across the plot area, with a notable cluster of 'High' status points in the top-left corner and a cluster of 'Low' and 'Normal' status points in the bottom-right corner. A legend in the bottom-left corner identifies the categories.
