- A scatter plot with a legend in the top-left corner. The legend is enclosed in a light gray box and contains three entries: 'Low' with a green upward-pointing triangle, 'Medium' with a yellow square, and 'High' with an orange diamond. The plot area is mostly empty, with a small cluster of points in the top-right corner and another small cluster in the bottom-left corner. The top-right cluster consists of several green triangles and orange diamonds, with one red triangle at the bottom of the cluster. The bottom-left cluster consists of several yellow squares and one red square. A single green triangle is located in the bottom-right area of the plot.
