

- 
- A scatter plot with a white background and a black border. The plot contains several data points. A legend in the bottom-left corner identifies four categories: 'Normal' (green circle), 'Low' (yellow triangle), 'Medium' (orange square), and 'High' (red diamond). The data points are distributed as follows: a cluster of yellow squares and yellow triangles in the upper-left; a single orange triangle in the upper-middle; a cluster of orange triangles, green triangles, and one yellow square in the upper-right; a single green triangle on the far right; and a single yellow circle at the bottom center.
